

**Malaysian Financial Planning Council**

## **CIRCULAR**

Dear Student Members,

### **NEW DESIGNATION CONFERRED BY MFPC: AFFILIATE RFP**

In recognition of the commitment and diligent works of our students undertaking the RFP Programme, as well as to foster a closer membership relation with our individual members; the MFPC is conferring the **“Affiliate RFP”** designation to Members who have **passed Module 1-Fundamentals of Financial Planning and one other module of the RFP programme.**

We have witnessed the Bank Negara Malaysia (BNM) and Securities Commission (SC) commitment to expedite the growth of the financial planning industry in Malaysia and together with the trade associations and industry players’ undivided efforts to build the industry.

We are pleased to inform that the MFPC has facilitated the formation of the Financial Intermediary Working Group (FIWG) and it was an historical moment to have BNM and SC co-chaired the FIWG meeting in August 2007 to discuss on matters and issues concerning the development of the financial planning profession.

The financial planning industry is taking off very well in Malaysia and we trust you’ll grab this opportunity to venture into the financial planning industry soon. We are confident that **“Affiliate RFP”** designees will up-hold professionalism and further instill clients’ confidence and trustworthiness that you have been emphasized in your business modal all these years.

The new designation presents to you meaningful and attractive benefits as stated in the attachment. Please take a closer look into these membership privileges and we would like to encourage you to be very focused to **attain your “Affiliate RFP” now.**
