Dear ladies and gentlemen,

## **Subscription Fee of e-RFP CPD Mandatory Programme Module 1 and 2: RM120 per module**

We wish to take this opportunity to express our sincere appreciation for your continued support towards MFPC since its inception in 2004.

Since the implementation of e-RFP CPD mandatory programme M1 and M2 by the Malaysian Insurance Institute (MII); it has been observed many individuals and financial institutions have registered for the online CPD programmes but not limited to life insurance sector but including banking; takaful; financial planning and investment sectors. However, the Council noticed some financial institutions have not been able to collect CPD copyright fees in a systematic manner since the payment is made by individual at the point of registration with the MII. This has thus posted administrative confusions and disturbances at the operation level.

In this regard, we are delighted to inform that MII management has agreed to collect the full fee of RM120 per candidate, inclusive of RM50 MFPC copyright fee directly with the registrants when they register online with MII effective 1st January 2020. The MII will be responsible to reimburse e-RFP CPD copyright fees due to MFPC accordingly. Hence, the insurance companies and financial institutions will collect and reimburse to the MFPC solely RFP M1 & M2 CPD copyright fees for class participant(s) only; should the company conduct these in-house mandatory CPD programmes.

We highly appreciate your continuous support and thank you in advance for your assistance on this matter.

Should you need further assistance and clarification on this matter; please contact MFPC Secretariat at 03-6203 5899 or email to [examregistration@mfpc.org.my](mailto:examregistration@mfpc.org.my).

Thank you.

Yours sincerely
