Dear Members,

Revision of Corporate Membership Fee for ChFSI and FSI

Greetings from the MFPC!

First and foremost, we would like to take this opportunity to express our sincere appreciation for your continued support shown towards the MFPC since its inception in 2004.

We at the Membership Committee have always put our focus to review and enhance membership benefits for all the different categories of membership, including corporate memberships and individual memberships.

Please be informed that the Council has officially established 3 chapters; the Penang Chapter; Sarawak Chapter and Johor Chapter to organise activities and classes for the respective region; and the Council is playing a significant role in conducting industry initiatives and events endorsed by the Securities Commission Malaysia and Bank Negara Malaysia including the scholarship and internship programmes in 2017 and 2018. Appropriate adjustments in operation budget and staff resources are vital to support the continuous growth of the MFPC Secretariat and chapters.

For your information, the Council has revised individual membership fee in 2009 while membership fee for ChFSIs and FSIs have never been revised since the inception of MFPC in 2004.

With this; please be informed that the Council has deliberated thoroughly pertaining to adjustment of corporate membership in the 13th Annual General Meeting (AGM) on 15th May 2017; and the AGM agreed new corporate membership fee for ChFSI and FSI as follows effective 1 January 2019;

Charter Financial Services Institution (ChFSI)	: RM1,500
Financial Services Institution (FSI)	: RM1,500

Should you need further assistance, please contact the MFPC Secretariat at 03-6203 5899 or email to mfpc@mfpc.org.my.

Thank you.

Yours sincerely

Malaysian Financial Planning Council
