Dear Members,

Implementation of Digital Membership Card (eID)

Greetings from MFPC.

We wish to take this opportunity to express our sincere appreciation for your continued support towards MFPC since its inception in 2004.

We are pleased to inform that MFPC will implement the eID as a digitisation initiative to replace the physical membership card, for the convenience of members and public's reference.

This initiative is in tandem with the Council's objective; to promote digital advancement as our 1st MFPC portal will update the membership status automatically upon renewal of membership. The fact that MFPC embraces the Go Green concept, the adoption of eID will further reduce the usage of plastic (the cards) and papers (the envelopes & letters) in the future.

The eID will be effective from **1st July 2020** onwards. Hence, you could verify your membership status **starting from 1st July 2020** at <https://1st.mfpc.org.my/eid>.

Should you need further assistance, please contact the MFPC Secretariat at 03-6203 5899 or email to mfpc@mfpc.org.my.

Thank you.

Yours sincerely

Malaysian Financial Planning Council

Major Leow Nan Chung

Vice President for Membership Committee
