

FINANCIAL PLANNING INTERNSHIP PROGRAMME (FPIP) 2023–2025

Malaysian Financial Planning Council (MFPC) and its Corporate Members, particularly Capital Market Service Licensed (CMSL) companies are keen to provide industry exposure platforms to the eligible applicants through their Financial Planning Internship Programme (FPIP).

OBJECTIVES

- To assist students/practitioners to be efficient, innovative and competitive in the Malaysian capital market
- To develop and upgrade skills required of students/practitioners by the Malaysian capital market
- To provide students/practitioners with relevant knowledge to meet the needs and priorities of a developing capital market
- To enable students/practitioners to further and put into practice the knowledge acquired during their studies
- To provide students/practitioners with a professional working environment that can offer a rewarding and interesting experience
- To contribute to the pool of candidates for potential employment within the Malaysian capital market

ELIGIBILITY

Applicant must:

- Be registered as MFPC members and remain active members throughout the internship programme
- Be required to undergo internship or industrial training
- Hold or be studying for a Degree/Master's/Professional qualification, preferably in a finance or financial planning-related programme
- Be proficient in writing and speaking in English
